

Goole Academy Open Evening

In line with government guidelines, we have moved this year's open events online. These online events replace our traditional Opening Evenings, but still provide all that you and your child need to know when choosing your secondary school.

What can you expect?

This event will be the first of two! In this first event, being held on **Tuesday 29th September** some of the things you can expect are:

- Head Teacher assembly.
- Key information about the academy and from departments.
- Messages from Year 7.
- Parent testimonials.

In the second event, being held on **Tuesday 13th October** you will get to know us a little more. This will include:

- Staff messages.
- Student talking heads.
- Your questions answered.
- Virtual tour.

To book a ticket please log onto our Eventbrite platform and follow the links.

If you have any questions about your child starting secondary school please send them to transition2021@gooleacademy.org.uk and we will post an answer during our second virtual event on the 13th October.
