

Dear Parents/ Carers,

Ref:- School-based Tutor Sessions September 2021

My name is Dan Ward and I have been teaching in Hull and East-Riding schools since 2009 (most recently at Dunswell Academy). From September, I will be a full-time Tutor and will be delivering a series of before-school and after-school tuition sessions to help to boost children's progress in the following areas:- Maths, Reading/Comprehension, SPAG (spelling, punctuation and grammar) and Writing.

The sessions are for groups of **no more than** 5 pupils and will be tailored to meet the needs of each individual. The cost per child would be just £20 per hour, which would include a free consultation with yourself so that I can plan a series of lessons (to help to accelerate their progress in the areas that are most needed). **Lessons will take place at your child's school** for the amount of weeks in each half term.

This would be suitable for children of all abilities; whether your child needs support to reach the expected standard or the greater depth standard for their age group, or perhaps just to boost skills and confidence.

If you would like to secure a place for your child, please complete the expression of interest form and return by email to danwardtutoring@outlook.com or contact me on 07780 701 727 to discuss by Friday 16th July. This will then allow me to timetable sessions based on demand for each school, further information can also be found at www.danwardtutoring.com or by contacting me directly.

Kind regards,

Dan Ward
